

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

2 Why You Need This Seminar . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 What You'll Learn . . .

This MIOSHA Seminar will bring to light the Top Ten occupational health violations that are commonly issued by MIOSHA enforcement. The course will expand on those topics and provide an in-depth review of the standards and the trouble areas that occur for employers in general industry. Topics include first aid, eye wash stations, Bloodborne pathogens, noise, respirators and confined spaces.

Agenda

We offer a flexible program agenda to emphasize the health-related topics you want most.

- ▶ Top Ten Violations
- ▶ First Aid, Eyewash and Bloodborne Pathogens
- ▶ Noise
- ▶ Respirators
- ▶ Confined Spaces

Facilitator

Dave Humenick joined the MIOSHA CET Division in October of 2003. Prior to coming to CET he served as an Industrial Hygienist in the MIOSHA Enforcement program for 11 years where he investigated complaints and accidents in all types of places of employment.

Before his employment with the State of Michigan Dave was a corporate Industrial Hygienist for 7 years with a prominent fortune 250 company which had over 10,000 employees throughout the US and Canada. His responsibilities included training and compliance with MIOSHA and Federal Health and Safety Standards.

Dave Humenick
*Industrial Hygienist,
MIOSHA, CET Division*
